

Worldwide presence, local support

Focusing on your mission — anytime, anywhere — is your top priority. KBR serves as a key support system.

KBR has a presence throughout the world. Our local supply lines, Middle East procurement center and cost/schedule visibility provide you the support you need for project success.

From airport services to troop support, aviation training to homeland security, maritime services to program management, KBR makes supporting you our mission.

For more information, contact Laurence McCarthy at +9712 410 8777, or visit us online at www.kbr.com.
